Description

This 2017 Audi A4 TDI Sport has been well maintained by only two owners from new. This saloon model features a 2.0 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the cabin is equipped with deluxe 3-zone electronic climate control to keep all passengers comfortable, while the Bluetooth interface allows for seamless connectivity on the move. Parking is made straightforward with the inclusion of Parking System Plus, which provides both front and rear sensors to assist with manoeuvring. Additionally, the vehicle is fitted with light and rain sensors that automatically activate the headlights when conditions require. The efficiency of this vehicle is a significant advantage, as it offers an impressive fuel economy of 72 mpg, which helps to reduce running costs over time. Its low CO2 emissions and low insurance group rating further contribute to its overall affordability, making it a practical choice for those seeking a balance between performance and economy. These attributes combine to offer a cost-effective driving experience without compromising on the comfort or technology expected from an Audi.
