Description

This 2014 Vauxhall Insignia CDTi Elite Nav is a great example of a well maintained vehicle. It features a 2.0 litre diesel engine and comes with an 8 inch digital colour screen speedometer that displays audio, phone, and navigation information. For added convenience, it includes adaptive cruise control, a touch pad controller for the RF 700 infotainment system, and front and rear parking distance sensors. The automatic lighting control with tunnel detection ensures your headlights are always set correctly. This Insignia Elite Nav also benefits from being in a low insurance group, which can help to keep your running costs down. The inclusion of features like adaptive cruise control and parking assistance highlights how this vehicle offers a more advanced and comfortable driving experience compared to many others in its class.
