Description

++Finance available++2 keys++Will come with fresh service(including gearbox and haldex oil)++ This 2016 Audi Q3 TFSI S line Plus has been well maintained throughout its life and is offered with the benefit of having had only two owners. This SUV is powered by a 2.0 litre petrol engine paired with a four wheel drive system, ensuring it meets Euro 6 emission standards. The S line Plus trim level includes a range of practical features designed for comfort and convenience, such as heated front seats and dual zone electronic climate control. For added ease when driving, the vehicle is equipped with all weather LED headlights that feature automatic activation, along with rear parking sensors to assist with manoeuvring. The performance of this model is a key highlight, as it is capable of accelerating from 0 to 60mph in just 7.3 seconds. This capability, combined with the all wheel drive system, provides a responsive and stable driving experience that sets it apart from many other vehicles in its class. The inclusion of advanced lighting technology and climate control systems ensures that the cabin remains comfortable and visibility is maintained in various conditions, making this a practical and capable choice for those seeking a refined driving experience.
