Description

++Finance available++Comes with full service history++2 keys++Long Mot++Lovely drive and condition++ This 2016 Vauxhall ADAM i JAM is an ideal choice for drivers seeking a practical and well-equipped hatchback. This vehicle features a 1.4L petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the car includes a digital clock with automatic RDS time adjustment and a lights on audible warning system to help prevent battery drain. Security is managed through an electronic engine deadlock immobiliser, while the folding key is colour-keyed to the body of the car for a cohesive look. Manoeuvring into tight spaces is made simpler by the inclusion of rear parking distance sensors, which come complete with rear parking assistance. The Vauxhall ADAM stands out in its class due to its low insurance group rating, which helps to keep ongoing running costs manageable for a wide range of motorists. By combining essential safety and convenience technology with an efficient engine, this model offers a balanced driving experience that prioritises both ease of use and long-term affordability. The thoughtful integration of parking aids and security features demonstrates a focus on daily usability, making this particular trim a sensible option for those who value reliability and straightforward operation in their vehicle.
