Description

12 month MOT 3 months warranty Heated seats Reverse camera USB Bluetooth phone AUX Automatic headlights Automatic window wipers Cruise control Super low miles A/C Lane assist . This 2021 Volkswagen e-up! comes with a clear vehicle history check, providing peace of mind for your next purchase. As an all-electric vehicle, this model is designed for efficient city driving and daily commutes. It features a 37 kWh battery that offers a maximum range of 161 miles when new. Inside, the cabin is equipped with a range of practical amenities, including climate control and manual air conditioning to keep the temperature comfortable. The vehicle also includes the Winter Pack, which provides heated front seats for added warmth during colder months, alongside a Bluetooth telephone and audio connection for your compatible devices. The e-up! stands out for its practical charging capabilities, making it a convenient choice for electric vehicle owners. You can achieve a full charge at home using a 7kW charger in 5 hours and 30 minutes, which is ideal for overnight replenishment. For longer journeys, the vehicle supports rapid public charging, allowing you to reach an 80 percent charge in just 1 hour and 4 minutes. These charging times, combined with the comfortable interior features, make this electric hatchback a well-rounded option for those seeking a reliable and modern vehicle for everyday use.
