Description

This 2018 Ford Transit Custom 2.0 300 EcoBlue Limited L1 H1 is a practical choice for those seeking a reliable commercial vehicle that falls into a low insurance group. As a Limited trim model, this 5-door van is powered by a 2.0-litre diesel engine that meets Euro 6 emission standards. The interior is equipped with Seat Pack 25, which includes heated seats for both the driver and passenger, ensuring comfort during colder days. Additionally, the vehicle features front manual air conditioning to maintain a pleasant cabin temperature, along with front and rear parking aids paired with front fog lamps to assist with manoeuvring in various conditions. The inclusion of these specific features makes this Transit Custom a well-rounded option compared to standard commercial vans. By combining essential driver comforts like heated seating and climate control with practical parking assistance technology, this vehicle offers a more refined experience for daily use. The Euro 6 engine compliance ensures it remains suitable for modern urban driving requirements, while the combination of these convenience features provides a level of specification that enhances both productivity and ease of operation on the road.
