Description

This 2011 Mercedes-Benz SLK200 AMG Sport Edition 125 offers a rare combination of style and practicality, having covered only 64,000 miles since it was first registered. This specific model features a 1.8-litre petrol engine and comes equipped with several convenient additions to improve your daily driving experience. You will find the inclusion of a Bluetooth interface for hands-free telephone calls, which helps you stay connected while on the move. Furthermore, the vehicle is fitted with air conditioning to maintain a comfortable cabin temperature, alongside Headlamp Assist, which provides automatic headlamp activation to ensure visibility is managed effortlessly. The efficiency of this vehicle sets it apart from many others in its class, as it achieves an impressive 44 mpg. This fuel economy is complemented by low CO2 emissions, making it a sensible choice for those mindful of running costs. Beyond its efficiency, the design prioritises usability, offering a surprisingly large boot space that is not always found in vehicles of this type. These combined attributes make this Mercedes-Benz a well-rounded option for drivers seeking a balance of performance, economy, and everyday utility.
