## Description

Wet Belt Just Done This 2020 Ford Transit Custom presents a superb ownership proposition, having been meticulously maintained by just one owner from new. This popular L1 H1 panel van is powered by an efficient 2.0 litre EcoBlue diesel engine, meeting Euro 6 emission standards. The Trend trim level offers a practical and comfortable driving experience, enhanced by useful features such as front and rear parking aids, complete with front fog lamps, and the ICE Pack 21 which includes SYNC3 audio with Android Auto and Apple CarPlay connectivity. The Ford Transit Custom is renowned for its versatility and reliability, and this particular example stands out with its low CO2 emissions, indicating a more environmentally conscious choice. The inclusion of front and rear parking sensors, alongside the integrated SYNC3 system with smartphone mirroring, significantly aids in everyday driving and parking manoeuvres, setting it apart from other vehicles in its class. This combination of single ownership, efficient Euro 6 compliant engine, and desirable technology makes it a compelling option for any business or individual seeking a dependable commercial vehicle.
