Description

eDriven is delighted to present this remarkable low-mileage 1-owner Hyundai KONA 39kWh Premium Auto 5-door. It boasts just 18,000 miles from new and an impressive 93.5% battery health. The substantial 42kWh battery capacity delivers a maximum range of 189 miles when new. Convenient charging options include a full charge at home taking about 6 hours and 40 minutes with a 7kW charger, and a rapid charge to 80% in just 54 minutes at a public station. Features include Apple CarPlay and Android Auto, climate control, an automatic defog system for the front windscreen, Bluetooth connectivity with voice recognition, a wireless charging pad, keyless entry with a smart key and engine start/stop button, and a blind spot detection system for improved road awareness. Heated front seats and a heated steering wheel add to the comfort, while automatic headlights with a dusk sensor and seamless phone connectivity enhance convenience. This vehicle is still covered by Hyundai's 5-year warranty plus their Battery and EV Components warranty for 8 years or 100,000 miles (whichever is shorter). This covers repairs to restore battery capacity to at least 70%. Finance is available on this car from 9.9% APR*. We're happy to consider your existing car in part exchange. There are no additional admin fees - you only pay the car's price. Nationwide delivery is available upon request. Buy with confidence and check out our Google Reviews by searching for eDriven. *eDriven Limited is authorised and regulated by the Financial Conduct Authority and can introduce you to a limited number of lenders who may offer finance for your purchase.
