Description

This 2023 Kia Niro 2 is a remarkable example, boasting exceptionally low mileage of just 9000 miles from its single owner, offering you a virtually new driving experience. As an all electric model, it features a substantial 68 kWh battery, providing an impressive maximum range of 285 miles when new, perfect for both daily commutes and longer journeys. This Niro also comes equipped with convenient features such as Android Auto and Apple CarPlay with Voice Control, allowing seamless integration of your smartphone. You'll also appreciate the Engine Start-Stop Button with Smart Entry System for effortless access and ignition, along with Rear Parking Sensors to assist with manoeuvring. Further enhancing your driving pleasure, this Kia Niro includes Adaptive Smart Cruise Control with Stop and Go Functionality, which intelligently maintains a set distance from the vehicle ahead. For your entertainment and connectivity needs, Bluetooth with Music Streaming is also included. Charging is efficient, with a full charge at home taking approximately 9 hours and 25 minutes using a 7kW charger, and a rapid charge from empty to 80% achievable in just 43 minutes at a public charging station. The generous boot space offers ample room for your shopping or luggage, making this Niro a practical and appealing choice for any driver.
