## Description

eDriven is delighted to present this remarkable low-mileage 2024 Dacia Spring 65 26.8kWh EXTREME, with only 7,400 Miles! This EXTREME trim level comes equipped with a 27 kWh battery, providing a maximum range of 140 miles when new. Charging is convenient, with a full charge at home using a 7kW charger taking approximately 5 hours, and rapid charging to 80% on public chargers achievable in just 1 hour. Features include an Auto Lighting System with automatic headlights, and distinctive LED Y shape Dacia lighting signature. For ease of parking, it is fitted with front and rear parking sensors and a rear view camera. Inside, you'll find the Media Nav Live system, complete with Android Auto and Apple CarPlay for seamless smartphone integration, alongside manual air conditioning to keep you comfortable. These features collectively position the Dacia Spring EXTREME as a well equipped and practical choice in its class. The Dacia Spring comes with a standard 3-year/60,000-mile manufacturer warranty, an 8-year/100,000-mile traction battery warranty (guaranteed to retain at least 75% charge capacity), and a 6-year anti-corrosion warranty. Additionally, you can extend your cover up to 7 years/75,000 miles via the renewable Dacia Zen program. Finance is available on this car from 9.9% APR\*. We're happy to consider your existing car in part exchange. There are no additional admin fees - you only pay the car's price. Nationwide delivery is available upon request. Buy with confidence and check out our Google Reviews by searching for eDriven. \*eDriven Limited is authorised and regulated by the Financial Conduct Authority and can introduce you to a limited number of lenders who may offer finance for your purchase.
