Description

This 2013 Lexus GS 250 Luxury is a standout example, having been cherished by just one owner from new and boasting remarkably low mileage for its age at only 67,995 miles. Powered by a smooth 2.5 litre petrol engine, this automatic transmission saloon offers a refined driving experience. The Luxury trim level ensures a host of desirable features are included as standard, such as Bi-Xenon headlights for excellent visibility, a Blind Spot Detection Monitor system to enhance safety, and front parking sensors to aid manoeuvrability. Inside, you will appreciate the comfort of front seats that are both heated and ventilated, alongside dual zone climate control, allowing both driver and passenger to set their preferred temperature. The Lexus GS 250 Luxury presents several advantages that set it apart from other vehicles in its class. Its low insurance group rating means potentially lower running costs, making it an economical choice. Furthermore, the generous boot space provides ample room for luggage, shopping, or sports equipment, offering practical versatility for everyday life. These aspects, combined with the vehicle's excellent provenance and well appointed features, make this Lexus GS a compelling option for those seeking quality and comfort.
