Description

This 2011 Honda Jazz h IMA HS offers an efficient and comfortable driving experience, powered by a 1.3 litre petrol hybrid engine. This model benefits from automatic climate control air conditioning, ensuring a pleasant cabin temperature in all conditions. For convenience, it features dusk sensing headlights that automatically turn on when light levels drop, and remote keyless entry for easy access. The Honda Jazz is renowned for its practicality, and this HS trim is no exception, boasting a notably large boot space that provides ample room for shopping, luggage, or equipment. The inclusion of features like climate control and automatic headlights demonstrates a higher level of specification compared to many other vehicles in its class, enhancing both comfort and safety for everyday journeys.
