## Description

The Toyota Yaris VVT-h Design, a 2022 model, boasts a sleek and modern design that's sure to turn heads on the road. This one-owner vehicle has been well cared for and is equipped with a range of advanced features, including Toyota Safety Sense 2, which includes adaptive cruise control for a safer and more relaxing drive. You'll also enjoy seamless smartphone integration, courtesy of Apple CarPlay and Android Auto, making it easy to stay connected on the go. The reversing camera and parking assistance system provide added peace of mind when navigating tight spaces, while automatic headlights and LED headlights ensure you're always seen. With a 1.5L Petrol Hybrid Engine, this Yaris is not only stylish but also environmentally friendly, meeting the Euro 6 emission standards. One of the standout features of this Toyota Yaris VVT-h Design is its impressive fuel economy, achieving an impressive 69 mpg. This indicates that it's one of the more fuel-efficient options in its class, making it an excellent choice for those looking to save on fuel costs. Additionally, its low CO2 emissions make it a more environmentally friendly option, reducing its impact on the environment. With its 1.5L Petrol Hybrid Engine, this Yaris is a great option for those who want a reliable and efficient vehicle that's also kind to the planet.
