Description

This 2018 SEAT Leon TSI FR Technology is a superb example, having had only two owners from new. It boasts a powerful 1.8 litre petrol engine, meeting Euro 6 emissions standards, and comes equipped with the desirable FR Technology trim. Notable features include striking 18 inch Performance alloy wheels, a sporty SEAT Sport Line styling kit with an integrated exhaust, and a Winter Pack that includes heated seats for those colder months. The Convenience Pack Plus and Driving Assistance Pack add further appeal, both featuring automatic headlights for enhanced visibility and ease of use. This Leon offers impressive performance, accelerating from 0 to 62 miles per hour in a swift 7.2 seconds, demonstrating its dynamic capabilities. The large boot space provides excellent practicality for everyday use and longer journeys, making it a versatile choice. These highlights, such as the rapid acceleration and generous boot capacity, set this particular SEAT Leon apart from many others in its class, offering a compelling blend of style, performance, and everyday usability.
