Description

This 2015 Vauxhall Mokka CDTi SE offers a rare find with a very low mileage of just 52,000 miles for its age. This compact SUV is powered by a 1.7 litre diesel engine and comes well equipped with a range of comfort and convenience features. Inside, the cabin includes heated front seats and a leather covered, electrically heated steering wheel to keep you warm during colder months. Parking is made easier with front parking distance sensors, while the electronic dual zone climate control allows for personalised temperature settings. The vehicle also benefits from automatic lighting control, which manages the headlights for you. Choosing this model is a practical decision due to its impressive fuel economy of 53 mpg, which helps to keep running costs manageable. It also sits in a low insurance group, making it an economical choice for a wide range of drivers. These combined attributes make this Mokka a sensible and efficient option for those seeking a reliable vehicle that balances daily usability with cost effective motoring.
