Description

This 2016 Mercedes-Benz E Class E220d SE offers a refined driving experience that balances comfort with modern technology. As an SE variant, this saloon is powered by a 2.0 litre diesel engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The interior is designed for convenience and comfort, featuring heated front seats and two-zone THERMATIC automatic climate control to maintain a pleasant cabin environment regardless of the weather. Drivers are assisted by a reversing camera for easier parking, while the Audio 20 USB system provides seamless connectivity through Bluetooth. Visibility is enhanced by LED High Performance headlamps, which include integrated LED daytime running lights for added clarity on the road. The efficiency of this vehicle is a significant advantage, as it achieves an impressive fuel economy of 72 mpg, making it a practical choice for those looking to manage running costs. Its low CO2 emissions further contribute to its economical profile, while the performance remains strong with an acceleration of 0 to 62 mph in 7.3 seconds. Beyond its engine capabilities, the E Class provides a large boot space, offering ample room for luggage and everyday items. These combined attributes make this model a well-rounded option for drivers who prioritise a blend of efficiency, performance, and practical storage in their daily transport.
