Description

This 2016 BMW 1 Series 116d ED Plus offers a practical and efficient driving experience for those seeking a reliable hatchback. Powered by a 1.5 litre diesel engine, this vehicle meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside, the cabin is equipped with manual air conditioning to keep the temperature comfortable, while the Bluetooth hands free system with USB audio interface and enhanced telephone preparation allows for seamless connectivity and voice control. Parking is made straightforward with the inclusion of rear park distance control sensors, and the automatic activation headlights ensure visibility is managed without driver input. The efficiency of this model is a significant advantage, as it achieves an impressive fuel economy of 83 mpg, making it a cost effective choice for daily commuting. Beyond its fuel efficiency, the vehicle benefits from low CO2 emissions, which helps to reduce its environmental impact. Drivers will also appreciate the large boot space, which provides ample room for luggage and shopping, offering a level of practicality that makes this BMW a sensible option for various lifestyles.
