Description

This 2014 Audi A5 Cabriolet TFSI S line Special Edition offers a refined driving experience that combines open-top motoring with practical luxury. The vehicle is powered by a 1.8 litre petrol engine and meets Euro 6 emission standards, ensuring it remains compliant with modern environmental requirements. Inside, the cabin is equipped with electronic 3-zone climate control to keep all passengers comfortable regardless of the weather. For convenience, the car includes front and rear parking sensors as part of the Audi Parking System Plus, making manoeuvring simple. Visibility is enhanced by Bi-Xenon Plus headlights, while the Bang and Olufsen sound system provides a high-quality audio experience for every journey. This model stands out for its balance of efficiency and utility, making it a sensible choice for those who want a premium convertible without high running costs. It achieves an impressive fuel economy of 46 mpg and benefits from low CO2 emissions, which helps to keep ongoing expenses manageable. Furthermore, the vehicle falls into a low insurance group, offering additional savings compared to many other cars in its class. Despite its sleek design, the car also provides a large boot space, ensuring that practicality is not sacrificed for style.
