Description

This 2014 Peugeot 208 HDi Active is a great choice for those seeking an economical and well equipped car. Powered by a 1.4 litre diesel engine, this Active trim model offers a manual air conditioning system to keep you comfortable and Bluetooth connectivity for audio streaming, allowing you to enjoy your music on the go. With an impressive fuel economy of up to 74 miles per gallon, this Peugeot 208 stands out for its efficiency. Its low CO2 emissions and low insurance group rating further highlight how it offers a more cost effective driving experience compared to many other vehicles in its class.
