Description

This 2005 Mazda MX-5 Arctic is a truly special find, offering a delightful driving experience. Powered by a responsive 1.8 litre petrol engine, this convertible is presented in the Arctic trim, a sought after variant that adds a touch of exclusivity. Its registration year of 2005 means you're getting a classic model that has stood the test of time. This particular MX-5 stands out with its impressive fuel economy, achieving a notable 33 miles per gallon, which is excellent for its class. Furthermore, it boasts low CO2 emissions, making it a more environmentally conscious choice. The low insurance group is another significant advantage, indicating that running costs are kept to a minimum, making this Mazda MX-5 Arctic a sensible and enjoyable option for many drivers.
