Description

Here at Britannia Cars I have this outstanding example of a Volkswagen Tiguan this is the 2 litre TDI Sport for motion automatic Model which has covered just 136,000 miles from new and comes with a full service history including a recent service and the cambelt and water pump change. This Tiguan comes finished in metallic reflex silver with a charcoal and dove grey upholstery. This vehicle has belonged to my father who is a financial consultant who used this vehicle to travel to business meetings and for general day to day commuting and has kept this Tiguan in excellent condition however due to family ill health he has inherited a Kia meaning that the Tiguan now must be sold. Comes well equipped with alloy wheels, privacy glass, air conditioning, central locking, tiptronic gearbox, and a whole lot more! This Volkswagen is a lovely car and we will certainly be sad to see it go!!
