## Description

Introducing the stunning 2021 Polestar 2 2 PLUS EV FWD, a striking hatchback that seamlessly merges performance with sustainability. With its sleek black exterior, this electric vehicle not only turns heads but also delivers an exhilarating driving experience. Featuring a user-friendly automatic transmission and a spacious five-door layout, this Polestar 2 embodies the perfect balance of practicality and cutting-edge technology. With a mileage of 42,554 miles, it's designed to meet the demands of urban driving and longer journeys alike, proving that eco-friendly doesn't have to mean compromising on style or comfort. This used Polestar 2 is in excellent condition, making it an exceptional choice for anyone seeking a premium electric vehicle. The last service was conducted recently, ensuring that the car is in top-notch shape and ready for the road. The diligent service history reflects a commitment to quality and performance, providing peace of mind for its new owner. In addition, this vehicle comes with two keys, adding convenience for multiple drivers or easy access when needed, you'll enjoy lower running costs while contributing to a greener future. In summary, the 2021 Polestar 2 2 PLUS EV FWD is not just a car; it's a statement of modern, responsible driving. Its dynamic design, excellent mileage, and comprehensive service history create a compelling option for anyone ready to embrace the electric future. Don't miss the opportunity to own this remarkable hatchback that perfectly encapsulates the evolution of driving.
