## Description

Introducing the impressive 2022 Nissan Leaf Acenta, a standout in the realm of electric hatchbacks. This sleek model showcases a modern and stylish design in a striking black color that exudes sophistication. With a smooth automatic transmission and an efficient L-sized engine, driving this car is not just a journey; it's an experience. The Leaf offers ample space with its five-door configuration, making it ideal for families or anyone in need of practicality without compromising on style. With just 34,000 miles on the clock, this vehicle is in great condition, promising reliability and performance for years to come. As for ownership costs, this vehicle benefits from reasonable road tax, ensuring that you can enjoy the elegance of electric driving without breaking the bank. The service history is well-maintained, providing peace of mind to new owners. The last service was performed recently, ensuring that the car is in top condition for any new journey ahead. Additionally, this Nissan Leaf comes with two keys, making it convenient for multiple drivers or for having a spare on hand. Don't miss this fantastic opportunity to own a modern, eco-friendly hatchback that combines practicality with cutting-edge technology.
