Description

Introducing the sleek and electrifying 2021 Tesla Model 3 Performance AWD, a luxurious four-door saloon that perfectly blends cutting-edge technology with exhilarating performance. Dressed in a stunning white exterior, this used vehicle stands out on the road, embodying Tesla's commitment to innovation and sustainability. With an impressive mileage of 94,000 miles, it still boasts the dynamic capabilities expected from one of the leading electric vehicles on the market, making every drive an engaging experience. This Model 3 is equipped with an automatic transmission and features a strong and efficient engine, ensuring a smooth acceleration and an enjoyable ride, whether navigating city streets or cruising on the highway. The car's immaculate condition speaks to its careful handling and maintenance history, with a comprehensive service record available. The last service was performed recently, ensuring that this performance-driven vehicle is in top shape for its next owner. Supplied with two keys, this Tesla offers not just convenience but peace of mind knowing that it has been well-cared for. With road tax details and further specifications available upon inquiry, this Tesla Model 3 Performance is a fantastic choice for those seeking a high-performance vehicle with low environmental impact. Don't miss your chance to experience the future of driving with one of the most sought-after electric vehicles in the game. Embrace the essence of luxury, performance, and sustainability—all wrapped in one remarkable package. For further details or to arrange a test drive, please contact AH Autos today on 01623375103.
