Description

Introducing the stylish and meticulously maintained 2021 Tesla Model 3 LONG Range AWD, a remarkable saloon that combines performance, innovation, and sustainability. This striking blue vehicle exudes a modern aesthetic and is designed to turn heads on every journey. With four spacious doors, it's perfect for both daily commutes and weekend adventures, comfortably accommodating passengers and luggage alike. Under the hood, this Model 3 is powered by a high-performance electric engine, delivering an exhilarating driving experience, while the automatic transmission ensures a seamless ride. With a mileage of 104,000 miles, this used vehicle has been carefully cared for, showcasing its reliability and resilience. The car is in excellent condition, and with road tax considerations taken into account, it remains an economical choice for eco-conscious drivers. .
