Description

Introducing the remarkable 2018 BMW i3 0.6 i3 REEV, a sophisticated hatchback that perfectly marries innovative design and sustainable driving. Dressed in an elegant White hue, this used vehicle boasts a sleek profile that turns heads wherever it goes. With five doors, it provides ample access and convenience for passengers and cargo alike. The i3 is powered by a 0.6L engine coupled with an automatic transmission, ensuring a smooth and effortless driving experience. With 97,000 miles on the clock, this vehicle has been well-maintained, offering both reliability and the chance to explore the open road. This i3 has been thoughtfully cared for, evidenced by its comprehensive service history, ensuring that it remains in great working order. With road tax details readily available, you can enjoy peace of mind as you embrace the blend of electric efficiency and gasoline reliability. The last service was completed at an impressive mileage, ensuring that it is primed for further journeys. Supplied with two keys for added convenience, this BMW i3 stands out not just for its eco-friendliness but also for its commitment to quality and performance. Make the smart switch to sustainable transportation today with this exceptional vehicle. For further details or to arrange a test drive, please contact AH Autos today on 07970246438.
