Description

New to the Classic Car Market This has to be one of the nicest genuine useable 1975 Jensen Interceptor MK3 7. 2 V8 available in the UK Finished in a beautiful rare metallic blue with full blue leather upholstery this car stands out everywhere it goes This car has been part of a private classic car collection and was restored to a very high standard then the last owner in 2023/ 24 spent over £20k on the engine alone with one of the best MOPAR engineering companies in Germany which is fully documented with invoices and photos. From pistons & bearings upwards everything has been done and this car sounds and drives like it did 51 years ago. The engine starts on the button and sounds superb with its 440 7. 2 V8 growling effortlessly. You will not find a better one mechanically at this price anywhere its stunning. Lots of these on the market but none with the quality engine rebuild that this has. If your the market for a Jensen you must come and view this car before buying another its that nice. Full engine overhaul costing over £20, 000 in August 2024 inc below parts, photos of this and invoices are provided New Pistons New Rings New bearings New edelbrock aluminium manifold intakes New Aluminium radiator New fan cooling kit with thermostat New Carburetor New Intake manifold/ plate New Carburetor throttle cable mount/ extension New intake manifold gasket set New Carburetor insulation plate New Hex screws UNC New Nuts UNC Flush Radiator antifreeze/ distilled water (6 liters) New Washer securing plate New Valve cover gasket (pair) New Fuel filter complete New Heater hose connection New Oil filter & Service New spark plugs (8 pieces) New Battery disconnect switch New V-belt New Transmission oil/ differential oil (2 liters) New Steering gear seal/ line New V-belt (2 pieces) The exterior paintwork is excellent as per the photos and the colour really sparkles in the sunshine

The interior is original and has perfect patina being 51 years old as per the photos and in great condition, the ivory slated headlining is like new This car benefits from brand new upgraded 17" alloy wheels and new tyres costing over £3000 The car has a file of history including its delivery and build sheet from Jensen when new which confirms this car has matching numbers lots of photographs and it has been used in magazine shoots. Also have old style original V5's Any inspection is welcomed and please come for a test drive its a joy to drive Part exchange welcome
