## Description

LOW MILEAGE ONLY 33,979 MILES FROM NEW A very unique Ferrari 612 Scagleitti only around 260 sold in the UK and only around 150 on the road today make this car very rare This car drives like new and has had everything replaced during its servicing schedules costing £10,000's over the years making it an amazing reliable supercar This is a beautiful example of this stunning Ferrari 612 Scagleitti with the ultimate proven F133 V12 double overhead cam engine Quite unlike any series production Ferrari to have come before, the 612 was said to have been inspired by a one-off 375 Mille Miglia (chassis 0456 AM) displayed at the 1954 Paris Motor Show and sold to film director Roberto Rossellini as a gift for his wife, Ingrid Bergman Undoubtedly the most headline-grabbing feature of the 612 Scaglietti was its Avant Garde Pininfarina styling The Ferrari 612 was only the second all aluminium car produced by Ferrari which kept the weight down to 1850kg with its unique space frame The body of the 612 was produced at Ferrari's Carrozzeria Scaglietti plant, the former home of the car's namesake coachbuilder in Modena Only 2 previous owners from new Finished in Nero with Cream Daytona Interior The car sounds amazing and drives like new with only 32,500 miles from new This car is capable of 199 MPH with its 532bhp V12 Ferrari engine Directly behind the three-spoke leather and aluminium steering wheel is a hooded binnacle that houses a large 10,000rpm rev counter flanked to the right by a smaller 340kmh / 220mph speedometer. Off to the left is an LCD screen for all manner of digital functions. Also this GT is capable of 0-60mph in 4 seconds which isn't bad for a 2006 car Just driven the car back from Kent Ferrari Centre where it has just undergone a major full service and all new timing belts so car is good to go for another 4 years on the timing belts (Invoice Supplied) Mega service history from new with zero expense
