Description

Signature Classics proudly presents this exceptional 2004 Audi RS6 Avant A true icon of performance and practicality, this 2004 RS6 Avant offers a rare chance to own a beautifully preserved example of Audi's legendary twin-turbo V8 estate. With just 2 owners from new and only 55,600 miles, this car has clearly been cared for to the highest standard. It comes complete with a full service history, including a recent cambelt change, ensuring it is ready to be enjoyed with confidence. Importantly, this RS6 remains entirely original and unmolested, with the sole exception of an upgraded head unit — a subtle and practical enhancement that does not detract from the car's authenticity. Examples like this, retaining their factory character, are becoming increasingly scarce. Presented in very good condition throughout, it delivers the perfect blend of understated performance, everyday usability, and future classic appeal.

Investment Potential The C5 RS6 Avant is widely regarded as a future modern classic. Values remain undervalued relative to rarity and performance, and low mileage, low ownership, largely original cars such as this are becoming highly desirable among collectors and enthusiasts alike.
