Description

2009 Suzuki Swift 1.3 petrol, 5 speed manual. What a lovely example of a Suzuki Swift having covered 100,600 miles from new and an MOT to July 2027. This car has had a new clutch, new front brake discs, pads and callipers prior to sale. The car drives without fault with both the engine and gearbox operating smoothly through the gears. Externally the white paintwork is in excellent order with only minor blemishes but no big dents or scrapes. This is complimented by attractive alloy wheels that give this car a great look. The interior is also in excellent order with no rips or stains to the upholstery and has been valeted prior to sale. Any test drive will not disappoint so call or message to arrange. The car has two remote keys and original handbooks. Px possible
