Description

2006 Renault Kangoo 1.6 automatic with a wheelchair adaptation. This car is purpose built and has covered only 40100 miles from new and has an MOT to May 2027. It's also has the benefit of an automatic gearbox and electric wheelchair winch. Mechanically this car drives without fault with both engine and gearbox performing perfectly. The car has a cam belt and water pump replacement in 2022 @29000 miles. Externally the paintwork is in outstanding condition and is virtually blemish free. The pictures really don't do it justice. Inside the upholstery is in excellent condition with two front seats, one rear seat and space for a wheelchair passenger with seatbelt. The wheelchair ramp is very easy to deploy and has the benefit of an electric winch or assist the loading and unloading of wheelchairs. This is a truly stunning vehicle at a very realistic price, 40000 miles and automatic with a ramp and winch ticks all the boxes. Any test drive will not disappoint so call or message to arrange. Car has one remote key.
