Description

Introducing the reliable and versatile 2021 Renault Traffic 2.0 Traffic LL30 Business+ Energy DCI Panel Van, a perfect companion for both commercial needs and daily adventures. This robust white panel van, equipped with a 2.0L engine and a smooth manual transmission, boasts an impressive mileage of 87,000 miles, making it an ideal choice for those seeking a dependable vehicle without compromising on performance. Built with practicality in mind, the Traffic features a spacious interior designed to accommodate all your cargo needs while providing comfort and style, despite having no rear doors. This used Renault Traffic is in excellent condition, having been meticulously maintained with a full service history. The last service was performed at 87,770 miles on June 3, 2026, ensuring that this van remains in top-notch working order and ready for the road ahead. With an economical road tax rate, the Traffic is not only a smart investment but also an efficient solution for your transport needs. Supplied with one key, this van is ready to deliver reliability and functionality for both your business and leisure ventures. Whether you're transporting goods, equipment, or embarking on a long journey, the 2021 Renault Traffic LL30 Business+ is built to handle it all. Embrace the opportunity to own a vehicle that combines practicality with performance, ensuring you can tackle any task with confidence. Don't miss out on this exceptional panel van that stands out in the crowded commercial vehicle market!
