This saloon is powered by a 2.0 litre petrol engine that meets Euro 6 emission standards and comes with a full dealership service history, ensuring it has been well maintained throughout its life. A clear vehicle history check confirms its status, providing further reassurance for your purchase. Inside, the cabin is equipped with a range of modern technology, including a Bluetooth interface and the Audi Smartphone Interface, which supports both Apple CarPlay and Android Auto. Visibility and comfort are enhanced by LED headlights and rear lights with daytime running lights, automatic light and rain sensors, and heated front seats for colder days. Choosing this particular model provides practical benefits that make it a sensible choice for daily driving. The vehicle is placed in a low insurance group, which can help to reduce your ongoing running costs. Furthermore, the engine is designed for efficiency, achieving a fuel

economy of 46 mpg, allowing you to travel further between stops at the petrol station. These combined attributes make this Audi A4 a balanced option for those seeking a reliable and economical vehicle without compromising on comfort or modern connectivity.
