Description

This 2015 65 REG Nissan Juke Visia offers a practical choice for drivers, having covered only 59,000 miles since it was first registered. This compact crossover is powered by a 1.6 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Inside the cabin, the vehicle is equipped with manual air conditioning to help maintain a comfortable temperature regardless of the weather outside. We have just carried out a Mot test and also carried out a oil and filter change on this car as well so its ready to drive away the same day. **FREE WARRANTY INCLUDED ON ALL SALES** Which can be extnded to a Nationwide warranty if required . Please disucss this with a member of our sales team when viewing the vehicle. First to see will buy. HPI CLEAR CAR With 2 keys included. Choosing this particular model provides several advantages that make it a sensible option compared to similar vehicles in its class. It falls into a low insurance group, which can help reduce the overall cost of ownership for the driver. Furthermore, the engine is designed with low carbon dioxide emissions in mind, contributing to its efficiency and making it a cost effective vehicle to run on a daily basis.
