Description

This 2015 Ford Fiesta Zetec offers a practical choice for drivers, having covered a low mileage of 55,700 miles for its age. We have just carried out an oil and filter change on this car as well and it comes with a MOT Test till the end of July 2017. HPI CLEAR AND 2 KEYS. This hatchback is powered by a 1.25-litre petrol engine, making it a reliable option for daily commuting or city driving. Inside, the cabin is equipped with manual air conditioning to keep the temperature comfortable, while the Ford SYNC system allows for convenient connectivity while on the move. Safety is also prioritised with the inclusion of a Deflation Detection System, which helps monitor tyre pressure to ensure you remain aware of the vehicle's status during your journeys. FREE WARRANTY INCLUDED IN ALL SALES. If you wish to extend this to a Nationwide warranty please discuss this with a member of our sales team at point of sale. The combination of these features makes this particular model a sensible and economical option compared to many others in its class. Its low insurance group rating is a significant advantage, helping to keep ongoing running costs manageable for a wide range of motorists. By balancing essential modern technology with a proven, efficient engine, this Fiesta provides a straightforward and dependable driving experience that is well suited for those seeking a cost-effective and well-maintained vehicle.
