Description

This 2016 16 REG Ford Fiesta Zetec 1.25 CC offers a practical and reliable choice for drivers seeking a well-maintained vehicle. As a Zetec trim model, it is powered by a 1.25-litre petrol engine that meets Euro 6 emission standards, making it suitable for modern driving requirements. Inside, the cabin is equipped with Bluetooth hands-free phone connectivity, allowing for seamless communication while on the move. This combination of a proven engine and essential technology ensures that the vehicle remains a functional and dependable option for daily commuting or longer journeys. This is the more reliable engine model compared to the troublesome 1.0 Eco boost models that are on the market place. This car has just had a oil and filter change carried out and has 10 SERVICE STAMPS In the service book as well. 2 KEYS HPI CLEAR CAR. A Free warranty is included on all sales which can be upgraded to a Higher level of Nationwide cover if required. Please discuss this with a member of our salesteam at point of viewing this car. Choosing this particular model provides distinct advantages, particularly regarding running costs and ease of ownership. The vehicle sits within a low insurance group, which helps to keep annual premiums more manageable compared to many other cars in its class. By balancing efficient performance with these favourable insurance ratings, this Ford Fiesta presents a sensible solution for those prioritising economy and straightforward maintenance without compromising on the core features needed for a comfortable driving experience.
