Description

This 2014 Nissan Juke n-tec is a standout example, boasting exceptionally low mileage for its age with only 66,000 miles covered and having been cared for by just two owners. We have just carried out an oil and filter change on this car and topped up all the levels. HPI CLEAR CAR WITH 2 KEYS. This particular Juke is equipped with a responsive 1.6 litre petrol engine and features Bluetooth telephone integration for seamless connectivity on the go. Comfort is assured with climate control air conditioning, ensuring a pleasant cabin temperature in all conditions, while the colour reversing camera provides added confidence when parking. A Free warranty is included in all sales which can be upgraded to a higher level of cover / nationwide if need be. Please discuss this at the time of viewing the car. The Nissan Juke n-tec offers several advantages that set it apart. Its low insurance group rating means more affordable running costs, and with an impressive fuel economy of 47 miles per gallon, it is an economical choice for everyday driving. Furthermore, its low CO2 emissions contribute to a more environmentally friendly performance, making this Juke a smart and practical option.
